

Transportation Guidelines

Delaware Bus

1. The monthly fee for transporting students is \$130 per month for families with 1-2 children using the bus 6-10 times per week. A \$180 fee will be invoiced for families with 3 or more children using the bus 6-10 times per week. If a family uses the bus fewer than 6 times per week, then a fee of \$100 and \$125 respectively will be invoiced. Parents will be invoiced monthly in advance for 9 months beginning September through May.

2. The bus will make its designated stops at the assigned times, weather and traffic permitting. The bus will not wait past the scheduled time. This cannot be stressed enough -- parents need to be on time. Please plan on arriving 5 minutes prior to the scheduled stop to ensure the pick-up of your children. Please make arrangements to meet the bus in the afternoon. Students will be dropped off at the designated time. There will be no one available to wait with your child at any of the bus stops if you are running late. Please plan accordingly.

3. If the bus driver encounters any disciplinary situation on the bus, the bus driver will report the situation to the respective dean of students and he in turn will follow TCA disciplinary guidelines.
